

GROWER: BRIGHT HOUR RANCH

LOCATION: ARCADIA, FLORIDA

CROP: CITRUS

RESULTS: “Being on the C-CAT program for the last 7 months, we have seen many improvements. 1) seems to help on our greening trees; we are going to continue to watch
2) Healthier looking trees
3) Products are environmentally friendly and easy to handle
4) Less leaf minor activity across all blocks
5) Cost of the program is very economical

We feel that if you give this program a chance, you will get the same results and like what you see. Please feel free to call me.” Rowdy Bateman 863-494-2737
